

Connecting Communities: Participants Sessions

IMPORTANT: Due to the nature of the project resulting in performance, the timetable below is subject to change. We'll let you know at least one week in advance of changes. FRONTLINEdance is also waiting for confirmation on the lead musician so that is why there is a (?). You are more than welcome to attend all the sessions even if you are not performing with us. Where it states, 'Rehearsal for performances' you can still attend as a volunteer? We'll have several volunteer jobs for you to do. You can attend as many sessions as you like. Each session will be different. All sessions will be inclusive and you can take part sitting. If you require a BSL interpreter to be at any of the sessions, please let us know as soon as possible.

If you have not already registered with FRONTLINEdance then you are required to do so here: <https://forms.office.com/r/fZQdcbTMQM>
These sessions are open to all, so please invite your friends, families and colleagues to come and join us too! Just forward this document to them.

Any questions please call Rachael: 07484 874335 or email rachael@frontlinedance.co.uk

All sessions are intergenerational, therefore approximately 5-year-olds to 85-year-olds will be enjoying and achieving together. For Safeguarding, those under 13 years old will need to be accompanied by a parent/carer/older friend or family member. Remember family and friends can join us too.

Lastly, a reminder that we will not be providing any medical or personal care. Therefore, if this is something that you require then you will need to attend with a person who supports you with this.

Thanks for your patience and support, Rachael and the FRONTLINEdance Team.
